

# Someone's waiting for you to screw up

## Your identity's precious. Let's protect it.

Identity theft is the fastest growing type of fraud in Europe. In 2005, the UK had more than 100,000 cases. The good news is, Rexel's stylish range of innovative home shredders will help protect your identity from being stolen.

**SHRED IT  
DON'T BIN IT**
